This report presents a comprehensive On-Page SEO analysis of the Unique Mentor website, including evaluation of title tags, meta descriptions, content quality, and actionable optimization recommendations.

Document Type: Project Report
Format: PDF | Confidential – For Academic / Portfolio Use

1. Executive Summary

This On-Page SEO Audit was conducted on the website of **Unique Mentor** (<https://uniquementor.unaux.com/>), a digital marketing agency offering SEO, Social Media Marketing, Performance Marketing, Content Marketing, Website Design, and Marketing Automation services.

The audit focused on evaluating key on-page elements across the main pages of the website. The overall foundation of the website is solid, with clear service messaging and a professional design. However, several on-page SEO elements—particularly title tags—require optimization to improve search visibility and click-through rates.

Key Highlights:

- Most title tags are currently generic and under-optimized.
- Meta descriptions are generally good but can be strengthened with better CTAs.
- Homepage, Services, and SEO Services pages have strong content quality (Score: 8/10).
- Contact and Blog pages need content enrichment.
- Recommended actions include title/meta optimization, internal linking improvements, and schema implementation.

2. Audit Scope & Methodology

The following pages were analyzed as part of this audit:

- Homepage – <https://uniquementor.unaux.com/>
- About Page – <https://uniquementor.unaux.com/about/>
- Services Page – <https://uniquementor.unaux.com/services/>
- Contact Page – <https://uniquementor.unaux.com/contact/>
- SEO Services Page – <https://uniquementor.unaux.com/services/seo-services/>
- Blogs Page – <https://uniquementor.unaux.com/blogs/>

Elements Evaluated:

- Title Tags (presence, length, keyword usage, uniqueness)
- Meta Descriptions (length, relevance, call-to-action)
- Content Quality (structure, relevance, depth, user focus)
- Overall On-Page Optimization Opportunities

3. Detailed Page-by-Page Findings

3.1 Homepage

URL: <https://uniquementor.unaux.com/>

Element	Current	Optimized Recommendation

Unique Mentor is a digital marketing agency in India helping businesses grow with SEO, social media marketing, performance marketing, content & marketing automation. Sustainable online growth starts here.
Content Quality Score: 8/10		

Observation: Strong H1 and clear service overview. Title is too generic. Meta is decent but can include stronger keywords and location signals.

3.2 About Page

URL: <https://uniquementor.unaux.com/about/>

Element	Current	Optimized Recommendation
Title Tag	About - Unique Mentor	About Unique Mentor Digital Marketing Agency for Sustainable Growth
Meta Description	Learn about Unique Mentor, our digital marketing approach, services and practical strategies designed to help businesses build visibility and grow online.	Discover Unique Mentor – a results-driven digital marketing agency. Learn our mission, vision, process and how we help businesses build visibility and sustainable online growth.

Content Quality Score: 7/10

Observation: Clear mission, vision, and process sections. Title lacks keywords. Content is solid but could benefit from team highlights or case studies.

3.3 Services Page

URL: <https://uniquementor.unaux.com/services/>

Element	Current	Optimized Recommendation
Title Tag	Services - Unique Mentor	Digital Marketing Services SEO, Social, PPC & Automation Unique Mentor
Meta Description	Explore UniqueMentor's digital marketing services including SEO, social media marketing, performance marketing, content marketing, websites, branding, and automation.	Explore Unique Mentor's full-suite digital marketing services: SEO, social media marketing, performance marketing, content marketing, website design, branding & marketing automation.

Content Quality Score: 8/10

Observation: Good service cards and clear structure. Title is weak. Meta description is already strong. Content is well-organized and service-oriented.

3.4 Contact Page

URL: <https://uniquementor.unaux.com/contact/>

Element	Current	Optimized Recommendation
Title Tag	Contact - Unique Mentor	Contact Unique Mentor Get a Free Digital Marketing Consultation
Meta Description	Contact UniqueMentor to discuss SEO, social media, performance marketing, content, websites, branding, and marketing automation for your business.	Ready to grow online? Contact Unique Mentor for a free consultation on SEO, social media, performance marketing, content, websites & marketing automation.

Content Quality Score: 6/10

Observation: Functional contact form present. Title is very generic. Content is thin (mainly form + short intro). Recommend adding trust signals, FAQs, or short service highlights.

3.5 SEO Services Page

URL: <https://uniquementor.unaux.com/services/seo-services/>

Element	Current	Optimized Recommendation
Title Tag	SEO - Unique Mentor	SEO Services India On-Page, Technical & Content SEO Unique Mentor
Meta Description	Improve organic visibility with SEO services covering on-page SEO, technical SEO, keyword research, content optimization and link building.	Boost organic traffic with Unique Mentor's SEO services: comprehensive audits, keyword research, on-page & technical SEO, content strategy and ongoing monitoring for sustainable rankings.

Content Quality Score: 8/10

Observation: Excellent process breakdown (Audit → Keyword Research → On-Page → Technical → Content → Monitoring). Title can be more specific. Meta is already solid.

3.6 Blogs Page

URL: <https://uniquementor.unaux.com/blogs/>

Element	Current	Optimized Recommendation
Title Tag	Blogs - Unique Mentor (assumed listing)	Digital Marketing Blog SEO, Social Media & Growth Tips Unique Mentor

Meta Description	Not fully audited – listing page	Read expert digital marketing insights from Unique Mentor: SEO strategies, social media tips, performance marketing guides and practical growth advice for businesses.
------------------	----------------------------------	--

Content Quality Score: 5/10

Observation: Blog section exists in navigation. Recommend creating a unique meta description and developing a consistent content strategy to build topical authority.

4. Summary Scorecard

Page	Title Optimization	Meta Optimization	Content Score	Priority
Homepage	Needs Improvement	Good → Can Improve	8/10	High
About	Needs Improvement	Good → Can Improve	7/10	Medium
Services	Needs Improvement	Already Strong	8/10	High
Contact	Needs Improvement	Good → Can Improve	6/10	High
SEO Services	Needs Improvement	Already Strong	8/10	Medium
Blogs	Needs Improvement	Missing / Weak	5/10	Medium

Scoring Guide: 9–10 = Excellent | 7–8 = Good | 5–6 = Average | Below 5 = Needs Significant Work

5. Key Recommendations

5.1 Immediate Actions (High Priority)

- Update Title Tags** – Replace generic titles with keyword-rich, benefit-oriented titles (as provided in Section 3).
- Optimize Meta Descriptions** – Implement the recommended meta descriptions with stronger CTAs.
- Enrich Contact Page** – Add trust signals, short service highlights, or FAQs to improve content depth.

5.2 Short-Term Improvements

- Improve Internal Linking** – Connect service pages with each other and link relevant blog posts.
- Image Optimization** – Ensure all images have descriptive alt text.
- Heading Hierarchy** – Verify proper H1 → H2 → H3 structure on all pages.

5.3 Medium-Term Enhancements

- Add Schema Markup** – Implement Organization, Service, and FAQ schema where relevant.
- Blog Content Strategy** – Develop a consistent content calendar focused on SEO, SMM, and digital growth topics.
- Technical Check** – Since the site relies on JavaScript, ensure critical content is crawlable and indexable.

6. Conclusion

Unique Mentor has a clean, professional website with a solid foundation for digital marketing services. The content on key pages (Homepage, Services, and SEO Services) is well-structured and user-focused. The primary opportunities for improvement lie in optimizing title tags, strengthening meta descriptions, enriching thinner pages, and implementing technical enhancements such as schema markup and better internal linking.

By implementing the recommendations in this report, the website can significantly improve its on-page SEO performance, leading to better search visibility, higher click-through rates, and more qualified organic traffic.
